

MIWLA Change of Personal Data Form

Moving? Haven't received the *Newsletter*?

The MIWLA sends the *Newsletter* at bulk rate. If you not longer reside at your address, the U S Postal Service will not forward the publication as it is sent at the bulk rate and not first class mail. ***Members who move must notify the organization of their change of address as the Post Office will not forward the Newsletter.*** We try to keep an accurate mailing list but we need your help.

The following form may be used to notify us of your change your address!
